

According to our associates, here are the Top Ten Reasons to join the NASCO team:

- 1. The work you do will make a difference.** At NASCO, our associates work in small teams; therefore, the work you do will always have a significant impact on our customers and our bottom-line.
- 2. NASCO is growing.** As we continue to provide excellent service to our current customers they are increasing their business with us while sharing the benefits of working with NASCO with others.
- 3. You'll love the people.** Our associates are helpful, intelligent, highly skilled, and approachable.
- 4. The benefits are awesome.** NASCO offers a variety of benefits, including medical, dental, company -matched 401(k), flexible work arrangements, and much more.
- 5. NASCO associates enjoy what they do and where they work.** And, they want to share it with their friends. Our greatest source for finding new associates is through referrals from our current associates.
- 6. The work is always interesting and challenging.** With our complex system, associates are never at a loss for learning something new.
- 7. NASCO is dedicated to its people.** We are always looking for ways to enhance the employee experience, from new leadership development initiatives to new benefit programs.
- 8. Learning never ends.** Associates not only learn new skills while working on projects, but NASCO offers a host of opportunities to learn through instructor-led classroom training or e-learning courses - right at your desk.
- 9. You can serve the community, too.** We are dedicated to community outreach. Our community efforts range from allowing our associates to take time off to volunteer to providing assistance to families during the holiday season.
- 10. NASCO has a great reputation.** Our customers tell us that "NASCO listens and responds to meet my needs". "NASCO always gets it right".
